

ONE DAY AT A TIME

**IT'S SUMMERTIME**

AS WE FLIP THE CALENDAR TO JUNE, SPRING BULBS FADE, GIVING WAY TO COLORFUL SUMMER FLOWERS AND FEISTY NESTING BIRDS. HYDRANGEAS BLOOM ALONG A FENCE, WHILE DAYLILIES, PETUNIAS, GERANIUMS AND LOBELIA CAN ALWAYS BRING A ROCK GARDEN TO LIFE. AND THEN WE HAVE ROSES.

SO MANY SMELLS IN THIS WORLD ARE NOT NICE; THERE ARE SCENTS WE NEVER WANT TO SNIFF TWICE. IT IS SUCH A RELIEF FOR OUR OVER STRESSED NOSES **WHEN WE HAVE A CHANCE TO SMELL OF THE ROSES.**

THEY DELIGHT US WITH FRAGRANCE BEYOND COMPARE AS THEY LAVISHLY PERFUME WARM SUMMER AIR. WHAT THEY OFFER IS PRICELESS IN SCENT AND BEAUTY; THEY GIVE AND GIVE AS IF IT'S THEIR DUTY.

THAT NOSES NEED ROSES OUR CREATOR KNEW; THAT'S WHY HE BLESSED US WITH MORE THAN A FEW TO ADD COLOR & PLEASURE AND JOY TO OUR DAYS, **AND TO CHARM AND PLEASE US IN SO MANY WAYS.**
